50th Anniversary Edition

Letter from **the President**

Dear Friends,

It has certainly been a milestone year for Manor Junior College: we celebrated our 50th Anniversary, we received reaffirmation of our accreditation for the next ten years from Middle States and we went on-line.

September, 1997 saw the kick-off of our year-long celebration of 50 years in higher education. We had a great year of special anniversary events -- sponsored by all areas of the college -- which culminated in May with Commencement, where we graduated our largest class in history.

For four days in November, we hosted a six-member evaluation team from the Middle States Association of Colleges and Schools, which granted us accreditation for the next decade.

In October, we established a Manor Junior College presence on the World Wide Web. With this technology, we are implementing cutting-edge distance learning courses which will be taught over the Internet.

Finally, this year saw a significant increase in our development effort. For that, we thank all of our donors -- corporate and individual -- for all of their support and contributions. It is because of you that Manor is able to stay focused on its mission.

Your needs and the needs of your family will be remembered in the prayers of the Sisters of Saint Basil the Great. Throughout the year, special liturgies are celebrated for our benefactors. I wish you God's blessings of peace, good health and joy.

Sincerely,

Sister Mary Cecilia OSBM

Sister Mary Cecilia, OSBM
President

Дорогі Приятелі,

Це дійсно був особливий рік для Менор Джуніор Коледжу: ми святкували 50-ту річницю, ми одержали потвердження нашої акредитації на наступних десять років від Середніх Штатів і ми пішли "он-лайн".

Вересень 1997 р. був початком наших цілорічних святкувань 50 ліття вищої едукації. Цей рік особливих ювілейних активностей - спонзорований всіма відділами коледжу - закінчився у травні ґрадуацією найбільш чисельної кляси в історії.

Чотири дні у листопаді ми гостили шестичленну групу оцінювання Асоціяції Середніх Штатів для шкіл і коледжів, яка поновила нам акредитацію на наступне десятиліття.

У жовтні ми установили присутність Менор Джуніор Коледжу на Ворльд Вайд Веб. З цією технологією ми впроваджусмо через інтернет далекосяжні навчальні курси.

Вкінці, цей рік побачив значний зріст у зусиллі нашого розвитку. За це ми дякуємо всім нашим жертводавцям- спільним і особистимза їхню піддержку і внески. Це завдяки Вам, Менор може зосереджуватися на його місії.

Сестри Святого Василія Великого пам'ятатимуть у своїх молитвах потреби Ваші і Вашої родини. Протягом року відправляються особливі св.Літургії за наших добродіїв. Я бажаю Вам Божого благословення миру, доброго здоров'я і радости.

Вдячна Вам,

Сестра Марія Кекилія, ЧСВВ

TIMELINE 3-7
As this is our 50th Anniversary edition of Manorama, we invite you to take a look back at the past 50 years on pages 3 - 7.

From our Development Director:
Manor's Development effort enjoying significant growth

As my office completed its first full year of a three year project to establish a full-service development and alumni relations office at Manor, two significant goals were reached.

First, the college achieved a tripling in corporate giving. Literally hundreds of local small businesses and larger area corporations were contacted and visited to build partnerships between the business community and Manor. As a result of this effort, donations from past corporate donors increased and scores of new businesses began supporting the college.

As listed in this issue's Honor Roll of Donors for the 1996-97 fiscal year, corporate donors represent a cross-section of types and sizes of enterprises. For the 1997-98 fiscal year, which will be reported in January, 1999, this "fast-growth" trend has continued.

The second significant accomplishment of the development program has been in the area of grant support. Manor was awarded three significant grants in 1996-97. The college received $25,000 from Bell Atlantic in a prestigious private college competition where over 100 colleges, including Manor, competed for only six $25,000 grants. Manor was the only two-year college to submit a proposal and receive a grant. The Bell Atlantic grant supported curriculum enhancements for the college's veterinary technology program so six courses could be taught on-line for distance learning.

Frank DeMarchi, director, Development & Alumni Relations

Manor also received $20,000 from the National Science Foundation to fund technology initiatives of the college, including a third computer lab, servers for on-line platforms and Internet/e-mail access to the entire college community. Further, the college's Dental Health Center was awarded $10,000 from the Commonweath of Pennsylvania to fund renovations and improvements to accommodate the new Dental Hygiene program. For the 1997-98 fiscal year, Manor's grant efforts built upon the success of the previous fiscal year and funding from grants is expected to reach over $350,000.

In addition to significant improvements in corporate giving and grants, improvements were accomplished in all aspects of the development program. The college's Springtime Gala and Annual Golf Outing raised the most ever, while alumni giving continued to grow and a new "Friends of the Ukrainian Heritage Studies Center" program was initiated with hundreds of Ukrainian-American families becoming supporters of the Center's efforts.

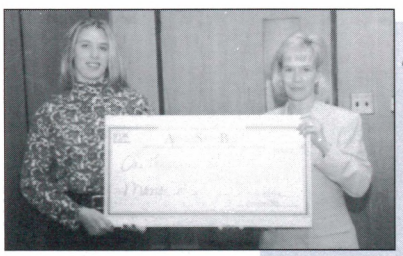
In short, the 1996-97 year for the development office was not only a building year, but also a successful one, with total gifts tripling over the previous year. ●

The company we keep:
Recognizing our corporate donors

As reported in the above Development Report, corporate giving to Manor Junior College tripled in FY '96-'97, with donations coming in many forms, including outright gifts, the establishment of scholarships, sponsorship of events and through grants.

Abington Bank continues to support a Memorial Scholarship named after George Harbsion, a former Board member at Manor and previous president of Abington Bank. In addition, the bank contributes to Manor through its support of the Annual Springtime Gala and Ukrainian Festival.

"We're a community-based bank that likes to support local charitable organizations, including educational institutions like Manor," said Bob White, president of Abington Bank.



Suzanne Nickelson (right), marketing director at Abington Bank, presents the George M. Harbison Memorial Scholarship award to Laura Wargo, a sophomore court reporting student.

"Also, we have quite a few connections to Manor," White continued. "My predecessor (the aforementioned Harbison) was a Board member there and my current marketing director, Suzanne Nickelson, is a current member of your Council of President's Associates.

"Manor does a great job of providing a quality education to it students," White said.

Willow Grove Bank serves as sole sponsor of Manor's *Breakfast for your Business* series (see *News to You*, pg. 7).

"We sponsored the program to further our relationship with Manor and because it made good business sense," said John Powers, vice-president of Community Banking at Willow Grove Bank.

Giving back:
Meet three of Manor's "Guardian Angels"

"Scholarships change lives -- be someone's Guardian Angel."

This is the the theme for a new program created by Manor's Planned Giving Committee designed to encourage the establishment of endowed scholarships and other significant planned gifts.

Each year, approximately 215 scholarships are awarded to Manor students. Although some cover all tuition costs, most are much smaller and serve to defray only a portion of the student's college expenses. In many cases, these scholarships make the financial difference in a student's ability to attend college, making the demand for scholarships increase each year.

Since most of Manor's scholarships are not endowed, the entire donation is distributed during the following academic year. As a result, the college experiences significant pressures to ensure that enough scholarship donations are raised each year to meet student need.

To that end, and in order to better manage the college's scholarship program and provide a forum through which to show appreciation to our donors, the Planned Giving Committee, together with Manor's Office of Development & Alumni Relations, established the *Guardian Angel* Program.

Meet three "Guardian Angels" with Endowed Scholarships

Charles Stahlecker, a former Board member at Manor, established the *Elizabeth Stablecker Memorial Scholarship* in order to perpetuate the memory of his deceased daughter.

"I chose Manor for a number of reasons," said Stahlecker, currently a financial advisor for the Sisters of Saint Basil, whose daughter did not attend Manor. "I chose Manor for its tradition and reputation of excellence in education, its promotion of family values and its rich Ukrainian heritage."

Robert Oliva established the *Wendy Holmes Oliva Memorial Scholarship* in honor of his wife, who graduated from Manor in 1961.

"My wife loved Manor," Oliva said. "Especially Sister Olga (a past president of Manor), who she admired and respected greatly.

"It's also a great way to help a current student rather than simply making a straight out donation to the college," Oliva said.

Marlyn Alkins, currently a senior associate professor at Manor and director of the Allied Health Transfer program, contributed to Manor in two ways -- by including the college in her will and by establishing an endowed scholarship.

"I included Manor in my will to maintain my connection to Manor after I'm gone," Alkins explained.

Alkins also established the *Eileen Freedman Memorial Scholarship* to honor her sister. ▶

Manor's first president, Mother Marie, OSBM served from 1947 to 1950.

Manor's second president, Mother M. Eusebia, OSBM, served from 1950-1951.

"[College President] Sister Cecilia was extremely nice to me when my sister, Eileen was ill several years ago," said Alkins.

"In 1993, when I donated a kindey to Eileen, [Academic Dean] Sally Mydlowec and Sister Cecilia were very understanding during my recovery," Alkins continued.

A year later, Eileen passed away.

"Sister Cecilia, [Dean of Students] Sister Francis and [past President] Sister Claire came to the funeral and I was very touched," Alkins said. "I wanted to do something that would perpetuate my sister's name and help Manor."

As an educator, Alkins was partial to academics, and decided to establish a scholarship that would help future students, specifically students in the Allied Health Transfer program, the program for which she serves as director.

For information on how you can become a Guardian Angel, please refer to the sidebar article at right. ●

"Scholarships change lives..." How you can become a Guardian Angel

As with four-year colleges, Guardian Angel scholarships are endowed. The donation is invested and the interest earned is used for the scholarship. Guardian Angel scholarships are flexible and can be added to after they are established. Further, Guardian Angel scholarships can be restricted to students of certain college majors, income levels, nationalities and academic levels.

Some of our Guardian Angels made their donation immediately to begin their own scholarship fund, using appreciated stock, insurance policies and other forms of planned gifts such as trusts and annuities to set up their scholarship. Most also received significant tax savings and additional tax deductions as a result of their donation.

Other donors, whose life situation would not allow for a scholarship start-up gift, made their donation in the form of a bequest in their will.

To assist donors in structuring their gift, Manor offers skilled advisors who work with donors to maximize not only their contributions, but also donor tax benefits.

Guardian Angels are recognized at special college events, awarded a Guardian Angel pin and plaque, celebrated during a Guardian Angel Liturgy and invited to two Presidential Receptions annually.

Manor has succeeded thanks in large part to the generosity of thousands of supporters who agreed with the college's academic mission, Ukrainian heritage and Catholic identity. A result of this overwhelming support has been a 95 percent job placement rate for graduating students. Another result, however, has been a significant increase in scholarship need.

Since *scholarships change lives, be someone's Guardian Angel*. Please call the Office of Development and Alumni Relations at (215) 885-2360, ext. 214 to request a *Scholarship Opportunities* brochure. ●

A milestone year:
Manor celebrates 50 years and is reaccredited for the next 10

The past year has been a momentous one for Manor Junior College, as we celebrated a half century in higher education with a full line-up of special 50th Anniversary events.

Abington Township Commissioner Michael O'Connor, Ward 3, presents official congratulations on Manor's 50th Anniversary to College President, Sister Mary Cecilia, OSBM.

The year kicked-off on September 4, 1997, with our Get Acquainted Picnic, sponsored by the Student Services office. The event allowed administration, faculty and students to get the year off to a great start by mingling on our front lawn and enjoying an old fashioned picnic. The afternoon also featured official anniversary congratulations presentations by State Representative Ellen Bard, Abington Township Commissioner Michael O'Connor and a representative from Congressman Jon D. Fox's office.

The celebration continued with the first installment of the Faculty Classic Film Festival, which featured the screening of three classic films throughout the year: *Casablanca*, *Strangers on a Train* and *On the Waterfront*.

The films were shown on a big screen and were followed by post-screening discussions moderated by members of Manor's faculty.

On September 28, Manor held a special 50th Anniversary Divine Liturgy with Archbishop Stephen Sulyk, Metropolitan of Ukrainian Catholics in the United States, as the main celebrant. The Liturgy also featured the Annunciation of the B.V.M. Ukrainian Choir singing the liturgical responses.

In December, Manor's Alumni Association Board sponsored its first Alumni Social. All Manor Junior College alumni were invited to the Hollywood Tavern for

"It was the perfect setting to catch up with old classmates and teachers," said Mary Lou Delizia '66, president of the Alumni Association Board.

Coinciding with our annual Easter Expo, the Ukrainian Heritage Studies Center hosted a special anniversary exhibit: The Sisters of St. Basil in Education. Showcasing the educational outreach of Manor's founders to the Ukrainian immigrant, the exhibit featured photo, costume and artifact displays and was sponsored by the Ukrainian Self-Reliance Federal Credit Union.

Finally, Manor held its annual Commencement Exercises on May 14, capping off the year-long celebration. With our largest graduating class ever, the event featured as our graduation speaker Dr. Bobby Doscher, a 1963 graduate of Manor. ●

Manor passes the test: **Accreditation is reaffirmed**

After a two-year process, The Middle States Association of Colleges and Schools voted to reaffirm Manor's accreditation for another 10 years during the organization's February 26, 1998 session.

Educational institutions must undergo a Middle States evaluation every decade in order to continue as an accredited entity.

The process began at Manor in the summer of 1996, with the formation of a Steering Committee that would lead the college through the first step -- the self-study.

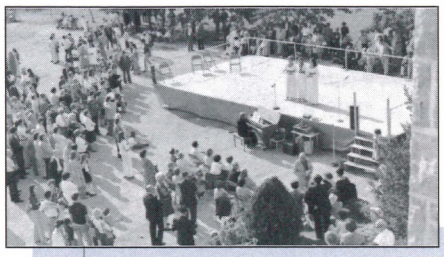
With a Self-Study Committee formed, the college spent the next year analyzing every aspect of itself to determine not only the Colleges strengths, but also any weaknesses with respect to fulfilling our mission, goals and objectives.

"The Manor community showed an overwhelming commitment to the self-study process," said Jane Zegestowsky, chair of the Steering Committee. "Their cooperation and participation were instrumental in showing that Manor does continue to fulfill its mission."

The next step in the process occurred between November 9-12, 1997, when the six-member Middle States evaluation team visited campus to conduct informal interviews with Manor's administration, faculty, staff and students.

The final report from the evaluation team complimented Manor on its self-study and offered commendations to many areas of operation within the college, including the Admissions and Financial Aid departments, as well as the Office of Development and Alumni Relations.

Special kudos were payed specifically to the faculty, which the report referred to as, "an outstanding strength and treasure of Manor Junior College," stating further that, "one need spend only a few minutes talking with students to know that they respect, admire and learn from the faculty." ●



Manor hosts its first Ukrainian Festival in 1978.

Manor's first computer lab opens in 1990. Today, Manor houses three computer labs, with another on the way.

Manor's eighth president, Sister Mary Cecilia, OSBM, was inaugurated in 1985 and continues as Manor's president today.

Manor opens its on-campus Dental Health Center in 1979. The DHC today serves over 2,000 area patients a year and is home to Manor's EFDA and Dental Hygiene programs.

Manor goes co-ed in 1988 and that fall, men are admitted to the dorms.

"We have a branch right in the area. The *Breakfast for your Business* series gave us the opportunity to meet the local business community," Powers said.

When Manor was looking for a lead corporate sponsor for the Springtime Gala, the law firm, Stradley, Ronon, Stevens & Young stepped up to the plate.

"We've been counsel to Manor since we incorporated it," said Sandy Girifalco, a partner with the firm. "And we've had a great relationship ever since.

"We're proud of how Manor has become such an important part of the community," Girifalco continued. "And since the Gala benefitted Manor's Paralegal Studies program, our sponsorship was a perfect fit."

This edition of Manorama *is dedicated to Sister Jerome Roman, OSBM, Manor's fourth president (1964-70), who passed away in January. Sister Jerome set a foundation for many of Manor's achievements. Her legacy at Manor includes restructuring the Board of Trustees to involve lay members, obtaining Manor's initial Middle States accreditation in 1967, and directing the construction of the Basileiad Library Building in 1968. An accomplished writer, she wrote numerous articles for the diocesan press and Ukrainian publications. In 1979, she was selected "Ukrainian Woman of the Year." Donations in her name may be sent to the Sisters of Saint Basil Basilian Spirituality Center., 700 Fox Chase Rd., Jenkintown, PA 19046.*
